

## Terms of Enrollment

Participation in QSU requires a \$50 enrollment fee, which simply covers the administrative costs of creating a new student account. After that, what you give is determined by you. You will have an opportunity to give at the end of each week's lesson as well as a request to confirm that you are still an active student. Please attend to this each week so that we know you still wish to be enrolled. If we haven't heard from you through the last four weeks of any quarter, we won't continue your enrollment into the next season. You're welcome to start up again at the next seasonal entry point, however you will need to pay an additional \$50 enrollment fee. Because there is no set fee for QSU, the financial giving becomes much more of a conscious act than simply paying an established amount. As the creator of the QSU curriculum, I consider the offering of money to be an integral part of the spiritual work here. I ask that you thoroughly read the [Self-determined Tuition](#) page and take the financial giving as seriously as we take the giving of this program.

Students enroll for a minimum of one 3-month quarter at a time. The program is designed as a continuous series of four quarters. If a quarter is missed, the material can't be picked up again until the following year as the content is seasonally based and is only available during that season. If you find yourself falling behind, we suggest completing the year as best you can and staying in the program through its next.

Enrollment should be made by the 1<sup>st</sup> day of each quarter. The quarters begin on March 1<sup>st</sup>, June 1<sup>st</sup>, September 1<sup>st</sup> and December 1<sup>st</sup>.
